

3060 ShowerTub™ Shower Floor

Premium Fiberglass · Fits 30" x 60" Bathtub Alcoves · Low Step-In Convenience

Easy entry elegance... that's what the unique walk-in ShowerTub™ from E.L. Mustee & Sons, Inc. can create in any existing or new bathroom. Featuring Mustee's deluxe fiberglass, the ShowerTub™ is a beautiful way to add glamour and convenience to any standard 30" x 60" bathtub alcove.

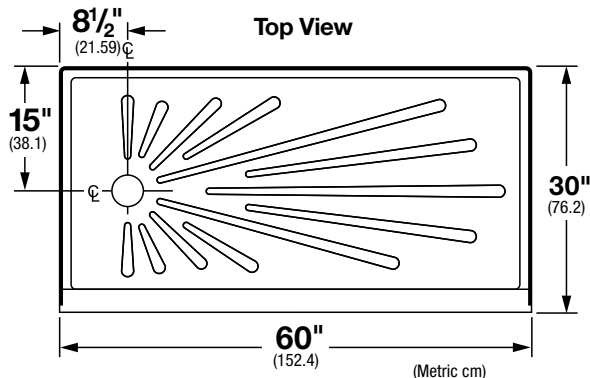

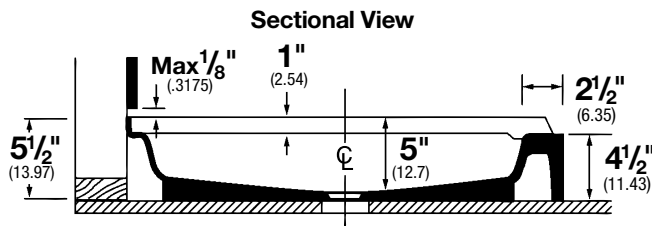

ShowerTub™ is the smart choice from a practicality standpoint as well...its unique design creates 35% more showering space than is available in a typical bathtub/shower configuration.

Mustee can help you complete a look of elegance with its color-matched 572T VARISTONE™ or 260 DURAWALL® shower walls and handsome StyleMate® by-pass shower doors.

Features:

- Premium fiberglass construction
- Easy entry, 4½" threshold
- Designed to fit standard 30" deep and 60" wide bathtub alcove
- Drain hole is offset 8½" x 15" for connection to 2" DWV piping
- Slip-resistant Starburst® surface helps rapidly evacuate water to the drain
- Available in both left and right hand drain locations
- Designed for use with Mustee shower walls, ceramic tile or other
- Semi-gloss and colorfast white & bone – mold & mildew resistant
- Fits any Mustee StyleMate® by-pass shower door or other makes
- Fits drain for 2" Iron DWV, (Sch. 40) PVC or ABS sanitary drain pipe
- Optional drain kit is available for connecting to existing 1½" bathtub DWV line
