

Easy, Long Range, Powerful

Job Link™ Probes

- Transmits directly to Job Link™ Free mobile app
- 350' wireless range that's powerful enough to transmit through walk-ins
- Quickly view all your measurements at one time
- Great for critically charged systems
- Reduce call backs – Get it right the first time

Tools HVACR Pros Trust

JL3KR4 Job Link™ Charge Test Kit

- 2 Temperature Pipe Clamps
- 1 Padded Protective Case
- 2 Pressure Probes

JL3KH6 Job Link™ Charge and Air Kit

- 2 Temperature Pipe Clamps
- 2 Psychrometer Probes
- 2 Pressure Probes
- 1 Padded Protective Case

JL3PC - Job Link Pipe Clamp

Lightning Fast and Accurate

The patent pending Rapid Rail™ sensor stabilizes in seconds with +/- 1°F accuracy.

- LED and beep indicate accurate connection
- Ambient air conditions doesn't affect measurements
- Narrow jaw connects in tight spaces
- Water resistant

JL3RH - Job Link Psychrometer Probe

Flex Psychrometer Versatility

Use the long, flexible probe, with strong magnet for quick and easy psychrometric measurements.

- Place in critical locations based on system needs
- Requires only a 3/8" hole for duct testing
- Flex wand and strong adjustable magnet for hands free measurements
- Measures %RH, dry and wet bulb, dew point, and enthalpy

JL3PR - Job Link Pressure Probe

Reliable Pressures Regardless of Location

Quick and confident connection for little to no refrigerant loss.

- 45° angled fitting easily connects in tight spaces
- Pressure sensors are accurate at any elevation
- Field replaceable gasket
- Great for critically charged systems
- Water resistant
