

MRI Room Diffuser

Our all-plastic REZZIN™ Modular Core TBAR Diffuser (550835) and REZZIN™ Modular Core Back Panel (551854) are the perfect solution for MRI rooms and other applications requiring nonferrous (nonmagnetic) diffusers.

REZZIN™ for Restaurants

Cleaning away the dirt and greasy grime off restaurant air diffusers just got a little bit easier. No more worries of what cleaning solution to use so the paint doesn't peel off, which causes steel diffusers to rust. No more expensive alternatives, such as aluminum or stainless steel. Just install our REZZIN™ TBAR series or our surface-mount REZZIN™ Round or Square Ceiling Plates — an effective engineered polymer solution that can handle those everyday cleaners.
